# First Things First:

---

Energy Efficiency before Renewables!

# Why Consider Solar PV?

---

Hint: It's an investment!

# Where Can I Install Solar PV?

---

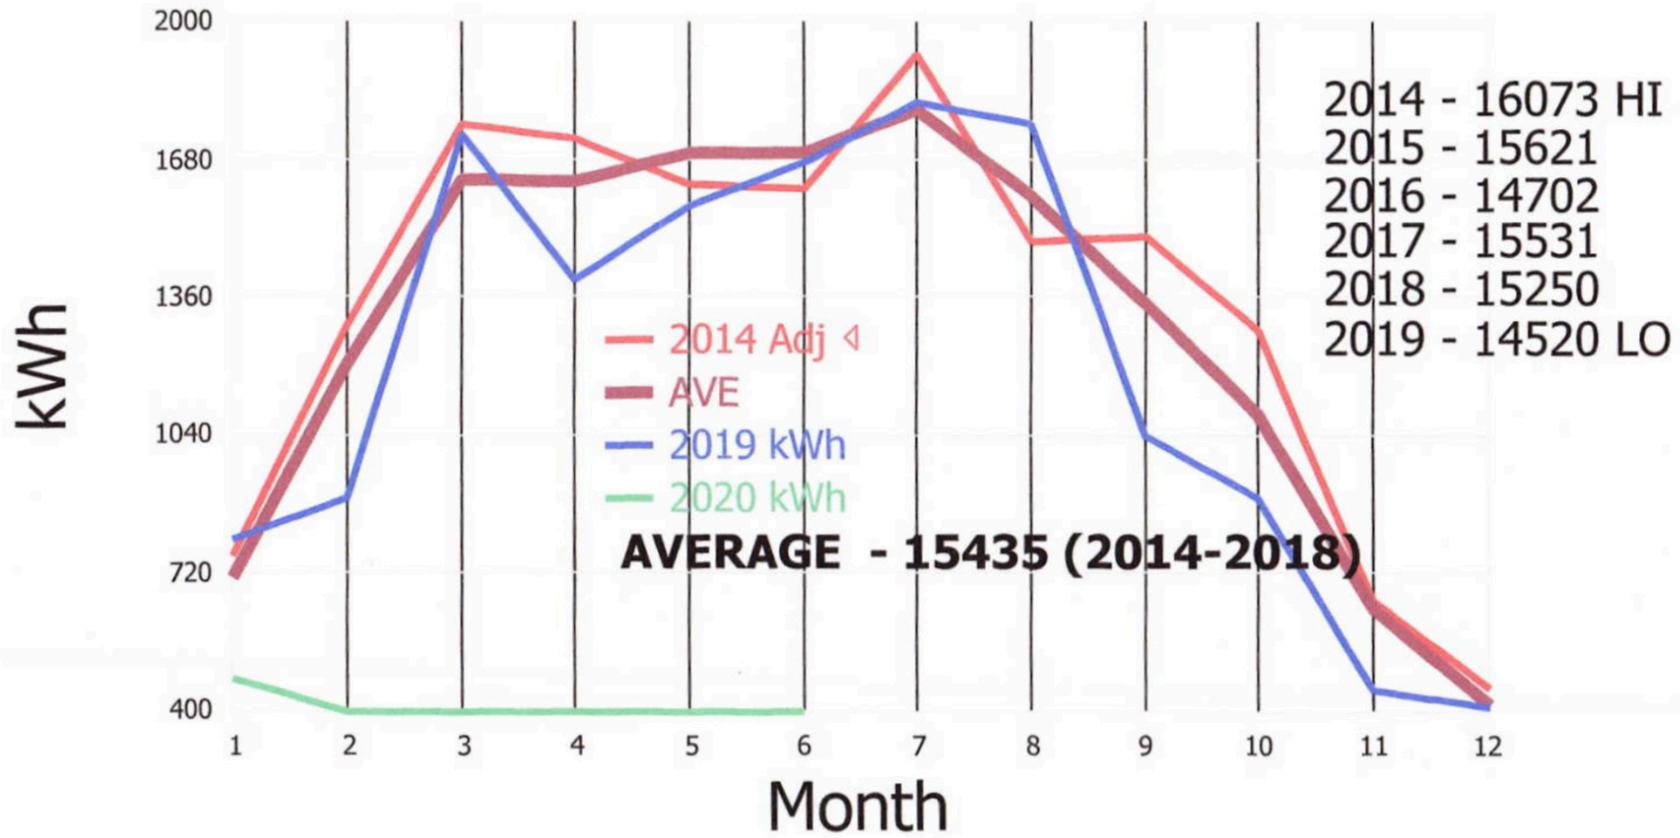

Site Considerations

# How Much ~~Does It Cost?~~

---

How much is my INVESTMENT?

# 12.3kW SOLAR SYSTEM: 2014-2020

# Some Other Considerations

---

Permitting, Installation, Inspection, Maintenance...
