

**We help Minnesotans  
build clean energy**

**WE PROVIDE**

**Hands-on assistance**

For cities, counties, utilities, farmers, businesses, and other organizations looking to make a change.

**Practical steps to clean energy**

Resources for getting started, moving forward, and completing projects.

**Learning opportunities**

We host events and highlight clean energy stories to inspire you.

**Our mission is to connect individuals and communities in Minnesota to the resources they need to identify and implement community-based clean energy projects.**

## HOW WE WORK

### We meet people where they are

No matter where they live and work in Minnesota or where they are along their clean energy journey.

### We convert learning into doing

Our pragmatic, cooperative, and unbiased approach gets people up to speed, connected, and ready to act.

### We strive toward inclusive access

We work to create opportunities for engagement and participation in clean energy for everyone.

## WE'RE HAVING AN IMPACT ACROSS MINNESOTA

- 1 Engage communities in seven regions with local staff and steering committee members.**
- 2 Awarded over \$1.98 million in CERTs Seed Grants to 509 energy projects since 2006.**
- 3 Impacted 1,575,228 people through grants, events, and programs since 2009.**
- 4 Helped save nearly 769 billion BTUs of energy and avoid nearly \$9.4 million in energy costs since 2010.**
